

YOU'VE BEEN BOOED!

👻 You've Been Booed! 👻

Someone wanted to brighten your day with a Halloween surprise.

Keep the Fun Going:

BOO!

1. Enjoy your treats!
2. Cut this paper in half and display the "We've Been Booed" side somewhere visible on your front door to show you've been booed.
3. Keep the fun alive! Choose a friend or neighbor who has not been booed, whip up a small gift, and secretly leave it at their doorstep with a copy of this sign (this free printable is available at BusyMommyMedia.com).

Enjoy a spooky Halloween season!
